Brenzett Church of England Primary School

Mr. Iain Witts, Executive Headteacher

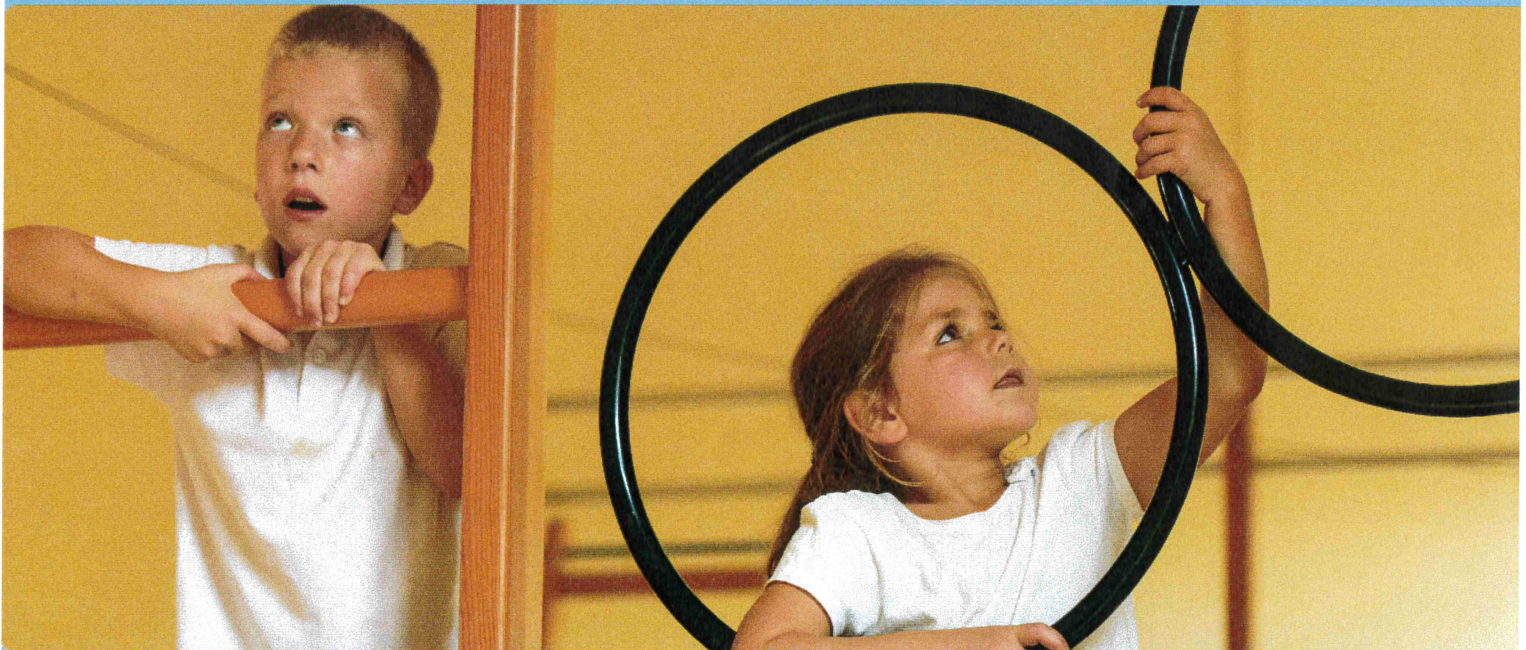

"Our school strives to serve the community by providing an excellent education for all pupils, of all abilities and backgrounds. We are a Church Controlled primary school and as such, work hard to preserve and develop our distinctive Christian character, liaising closely with the local church and Canterbury Diocese.

"Parents play an especially vital part in school life and there are lots of opportunities to share in the fun.

"The pictures and words in our brochure can only give a small glimpse of our work. The best way to get to know us is to come and visit! You will be warmly welcomed by pupils and staff alike.

"We converted to an academy (01 November 2016) through the Diocese of Canterbury Multi Academy Trust (Aquila). We took this decision to enable our school to have greater autonomy and have a greater say in how we are run now and in the future.

"We look forward to showing you around."

Friendship

"I've made lots of great friends at school. I know they'll be my friends for life!"

- Year 4 pupil

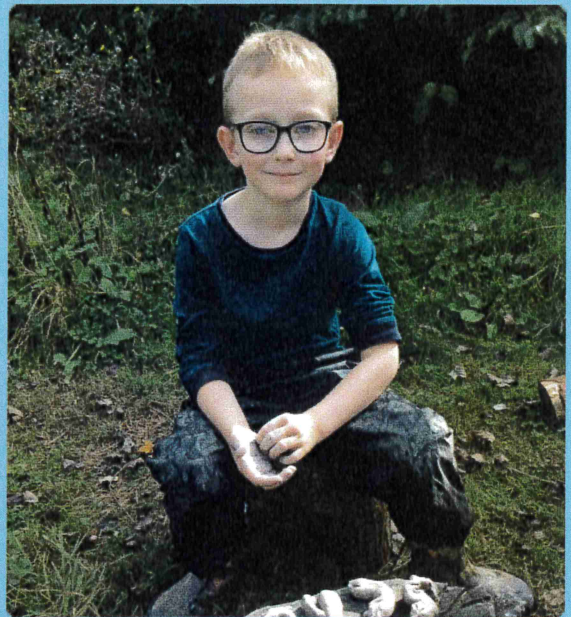

Mrs. Cassie Young, Head of School

"We are incredibly proud of the school we lead. Forest School is a truly immersive, inspiring and nurturing place, at the heart of our school community. The children grow in confidence and become skilful, independent thinkers, which translates back into the classroom.

"Brenzett is a calm, purposeful and safe place to educate the young minds of tomorrow. We highly value the opportunities to learn rich vocabulary, gain vast knowledge and the skills to apply them as they move on to secondary school. Our parents, carers, and stakeholders work closely with us to ensure our children exceed expectations in a happy and exciting school."

Trust

"Forest School is brilliant. I have learnt to build fires, use tools and we get to eat marshmallows!"

- Year 6 pupil

Forgiveness

"The staff care deeply about the children. My child has flourished since starting at Brenzett..."

- Year 2 parent

Compassion

"We work with the teachers and pupils. We have a unique voice and we work together to make the school even better."

- School Ambassadors
