What does it mean if God is holy and loving?

By the end of the block, children should know –

- Christians believe God is omnipotent, omniscient and eternal, and that this means God is worth worshipping.
- Christians believe God is both holy and loving, and Christians have to balance ideas of God
- being angered by sin and injustice (see Fall) but also loving, forgiving, and full of grace.
- Christians do not all agree about what God is like, but try to follow his path, as they see it in the Bible or through Church teaching.
- Christians believe getting to know God is like getting to know a person rather than learning information.
