1. SUMMARY INFORMATION					
School: Brenzett Church of England Primary School					
Academic Year	2018/2019	Total PP Budget	£36,960 (23,155 2017/2018)	Date of most recent PP Review	February 2019

The Senior Leadership Team, Governors, Pupil Premium Champion and all members of the teaching staff, monitor the attainment and progress of children very carefully. ALL children's progress is discussed at termly pupil progress meetings and where additional support is deemed necessary; Pupil Premium funding is frequently used to increase the opportunities that we are able to offer.

Funding is predominantly targeted at the improvement in attainment in English and Maths, as well as pupil well-being, but Brenzett Primary School recognises the need to provide a varied and stimulating curriculum.

Our teachers are accountable for pupils' attainment, progress and outcomes. (Teacher Standards).

We have embedded a robust monitoring system based on termly tracking; classroom based monitoring and pupil progress meetings, to ensure that all pupils make expected progress. Pupils identified as not making expected progress are rapidly identified and strategies put in place to address under performance.

We have high expectations of our teachers and provide them with a good programme of professional development opportunities to constantly improve their practice.

Where it is identified that a class/group is achieving well then a percentage of children are identified as a focus group for expected progress, with an emphasis on Pupil Premium. The school has focused on developing teachers' skills in assessment and methods of teaching that effectively meet the needs of groups and individuals for next step of learning.

Index of Multiple Deprivation

The Index of Multiple Deprivation (IMD) combines a number of indicators, chosen to cover a range of economic, social and housing issues, into a single deprivation score for each small area in England. This allows each area to be ranked relative to one another according to their level of deprivation. The Local Authority can use pupils' postcodes to rank the 454 Kent primary schools in terms of IMD. Brenzett Primary School is ranked 80 out of 454 schools (March 2018) with 1 being the most deprived.

Our School Development Plan aims are:

- 1. Improve Attendance in line with National expectations (96%)**
- 2. Raise attainment in reading, writing and maths**
- 3. Robust systems for inclusion and safeguarding**
- 4. Greater engagement of pupils in their learning**
- 5. Develop outdoor learning in early years**
