

Teaching Writing at Brenzett Primary School

The English LTP is designed around key texts, including texts for the Power of Reading, that link to the curriculum topic being studied in class.

Over the year, we then explore a range of writing purposes.

- Each term, there will be an element of Writing to Entertain. This includes setting and character descriptions, poetry and narrative.
- Each term will then have one or two units that are either Inform, Persuade and Discuss with set outcomes e.g. a letter, poster, newspaper.
- Each term, you should cover 3 SPaG objectives / skills for your year group, taken from the National curriculum or the Writing purposes overview

Each writing 'block' lasts 1-3 weeks and should include:

- Your reading lessons (in a separate book)
- Your SPaG coverage (1-2 skills per block)
- An element of speaking and listening
- An element of planning
- The opportunity for children to write at length
- The opportunity for editing within a lesson
- The opportunity to publish a piece

Once per term Tools to support writing:

- Dictionaries and thesauruses in every classroom
- Learning walls with relevant reference tools and modelled writing
- RWI grapheme mats
- Widgeit word mats for key vocabulary
- Success Criteria checklists / toolkits

EYFS:

In Early years they will follow the Drawing Club model to support early writing. Each unit of work with include:

- Character, Setting and Adventure.
- These sessions will taught daily.
