

BRENZETT C.E. SCHOOL

TERM 6 NEWSLETTER JULY 2025

We are so proud of all of our children and how much they've developed this year. Here are a few highlights from this term. Please enjoy - and have a wonderful summer break! Mrs Wright and the Brenzett Staff Team.

Heroes!

We have seen a fantastic effort from all classes this year who have been raising money for their class charities. Cherry Class in particular have surpassed all expectations by raising an incredible £964.02 for Porchlight. Min Oliver came in to receive the money on behalf of the charity and said: "This is a life-saving amount of money, and the pupils should all be very proud of themselves." She went on to describe the children as heroes.

OAK ON RESIDENTIAL

Oak Class enjoyed three days at Grosvenor Hall this term, putting themselves to the test with two nights sleeping away from home and an array of exciting activities. The residential experience is a really important part of our Personal Development curriculum, with opportunities to develop a range of skills including problem solving and resilience. Here are some reflections from the participants:

“WE WALK WHERE WONDER LEADS.”

Gargoyles!

Getting arty at St Eanswith Church

The whole school were involved in an enjoyable community art project this term, led by local artist Didier Rogers. They learned about, designed and made their own little gargoyles using air-drying clay.

“I enjoyed using different colours and sticking on shapes.” *Tilly*

SPACE DAY

Willow Class enjoyed a day which was out of this world, when a Space Expert visited for the day. The children learned about Planets, Suns and the Solar System, searched for alien life, took part in some astronaut physical training, learned about rockets and forces and enjoyed a robot engineering workshop. They will be more than ready now for their Space Topic in Years 5 and 6!

I loved making a robot grabber hand!

Sports Day 2025

CHAMPION

Thank you to all our families for coming to support our sports day. The community spirit was strong and the participation levels high! It was lovely to see so many of the children supporting each other and being team players. Well done Hurricane Team this year who were our overall winners - but all of the children were champions on the day.

YEAR 6 VIP ACTIVITIES

Year 6 have enjoyed VIP treatment this term to mark the end of their time at Brenzett School. The PTFA spent the term fundraising with their Frozen Friday project so that the children could have a fun day (including inflatables and a water fight) as well as a VIP Year 6 only area at the disco.

Year 6 are also seen here with Year 5 Oak Class on their residential, preparing for a serious game of lazer tag!

**Thank you
PTFA!**

We wish all of our Year 6 leavers a smooth and successful transition to secondary school. Remember all of you how brave, funny, clever and wonderful you are. We won't forget you! We also say goodbye to some much loved members of staff: Miss Sage, Ms O'Connor and Mrs Harrild. Thank you for all you have done for our school and Good Luck!
