

Anti-Bullying Week

We started the week with odd-socks day and celebrated our differences and uniqueness. The children then learned how to use their voices to stand up to bullying and to help others who might be having difficulties. In worship today, our Young Voices choir sang us a song on the theme of being daft and embracing our quirky bits, before we headed out to enjoy this year's Dance Dash by the children of Homewood School.

Here are some of the amazing posters created by Oak Class. Whilst there are a few spelling tweaks to make still, we wanted to share these whilst the theme was fresh. Other lovely work has been going on across the school which is still being collected! The children have had a fun and productive week and have earned a well deserved rest this weekend!

stop bullying!

do not do this!

- 1) When we bully are friends will not like you.
- 2) when bullying happens don't run and laugh tell a teacher and the teacher will sort it out.
- 3) when this happens it doesn't stop once it happens all of the time.
